1	Letter No 602/32-33 dt 14.2.33 from the Mysore Commissioner stating that the affairs of Raghunatha Rao's Chattram at Bangalore are allowed to drift and requesting for sanction to take the Chattram and its properties under Government management and adding that the Deputy Commissioner Bangalore will be requested to make one more attempt to dispose of the Chattram building at Kanpur.
2	The report of the S.W.O. dt 20.7.32 regarding the affairs of the Chattram is at page D. It says that the lower portion of the Chattram building, which is in very insanitary condition is reserved for patients attending Govt. Hospital while the first portion of the Chattram building, which may fetch nothing less than Rs 50/- but in the present state is not fit for the habitation of even the lowest class of people. The manager is noted to have no account book in which the kinds & no. of pandits including casual visitors & no. medicines are written & even no boundaries existed to Chattram known.

The lease effected in favour of Vajapeyam Venkata Subbaiya without obtaining sanction from the Concerned authorities and to several irregularities reported by the S. D. The existing way in which the Manager seems to be attending to the affairs of the Chattram calls for immediate action. In view of the issues referred to in the linked file which is also for orders, it seems desirable to take the institution under Govt management rather than allow matters to drift under the present manager.

I have the honor to be,

Sir,

Your most obedient servant,

Chief Commissioner.

With reference to correspondence ending with your [illegible] 33-38 dated 2nd June 1938, regarding the affairs of the Chattram at Bangalore and others, I have the honour to state that instructions had been issued to the Sub Division Officers, Tumkur Sub Division to see that the instructions of Government contained in the order referred to above are carried out as far as possible and to send a report in the matter.

The Sub Division Officer reports in his No.B2-33/31-38 dated 2 1938 that he inspected the chattram building in Bangalore city and found that the main portion thereof was in the occupation of one Mr. P. Srinivasa Rao, that only the hinder portion of it which is in very insanitary & dirty condition was reserved for the patients of the Orthopaedic Hospital that the manager had done nothing to effect the improvements contemplated in the Government Order of 1929, referred to above, no old [illegible] signs of carrying out the several instructions issued to him, about the better management of the chattram and its accounts and suggested that as the manager had occupied the front and best portion of the building should be charged a rent of Rs.50/- per month and that as the manager failed to maintain accounts and give effect to the instructions of Government, the management of the affairs of the chattram may be taken in hands of a committee etc.,

Thereupon, I also inspected the building in question and the accounts maintained. The latter are not satisfactorily maintained to include a number of items, not strictly relating to the chattram. The manager ought to pay a rent for using the best part of the building. Rs.25/- a month would be a fair (and concessional) rate.

Unless the institution and its properties are taken over by Government there is no prospect of its improvement.

The expenses incurred amount to about Rs.50/- per month and the income from the Jodi village is Rs. .50/-. Out of the annual savings, improvements suggested can be [illegible] no further steps are done nothing so far.
